

About Me...

I am an entertainer who enjoys playing acoustic cover songs that everyone knows, and can sing along or dance to. My goal is to let people forget their daily stresses for a moment, just have fun and make great memories at your venue.

Simple setup: Acoustic Guitar, Cajon Drum, and Vocals. I try to be self-sufficient as possible. I can perform with or without a sound engineer. I have plenty of gear to take care of sound in just about any space.

Mostly 80s and 90s songs, although I do play some 70s classics and New Hits.

Venues I've played...

- Michael Waltrip Brewing Bristol, VA.
- Delta Blues Bristol, TN.
- Cascade Draft House Bristol, TN.
- Mulligans Pub Johnson City, TN.
- J.C. Country Club Johnson City, TN.
- RUMBAR Johnson City, TN.
- Mountain Mile Pigeon Forge, TN.
- Scruffy City Music Hall Knoxville, TN.
- Market Street Social Kingsport, TN.
- Jiggy Ray's Elizabethton, TN.

A Little More About Me...

I'm from Jonesborough, TN. I have a wonderful wife and a 8-year-old kid who both love to hear me perform so I keep things family friendly, no cussing, etc..

I did have a decent career as a drummer in many rock bands over the past 20 years. I have shared the stage with national acts which has taught me professionalism and working hard will get you far. I've spent a lot of time on stage entertaining crowds from behind the drums and now I'm applying those things to my new solo career.
